TRANSMITTAL OF THE EVALUATION OF OU-7 AERATION TREATMENT SYSTEM - JLB-026-00

Enclosed are two (2) copies of the Evaluation of OU-7 Aeration Treatment System. The Evaluation was based on data collected from November 1998 to October 1999. The report was revised based on the comments we received from the Environmental Protection Agency and the Colorado Department of Public Health and Environment during the May 25th teleconference and the June 16th meeting. Based on your review and discussion with Tom Greengard on July 26th, the report should be transmitted to the Agencies for their review.

If you have any questions, please call Tom at extension 5635 or me at extension 5245.

Sincerely,

J. Lane Butler
